

## Campus Planner/Designer

SERA's Urban Design & Planning portfolio spans local to international projects including: downtown and neighborhood plans, design and development standards, campus and facilities master plans, streetscape plans, development opportunity studies, and land use/transportation studies.

We are currently seeking an experienced Campus Planner / Designer who is pro-active, creative, and committed to sustainability. Qualified candidates will, at a minimum, possess a degree in planning, urban design, architecture or related field, have strong writing and graphic skills, and be proficient in a variety of planning and graphic-related software (e.g., ArcGIS, Adobe Creative Suite, SketchUp). Our ideal candidate will have enjoyed success in marketing and business development, will have dynamic presentation skills, and will have completed substantial, campus-related work for higher education / public / institutional / corporate clients. Experience with campus-scale programming (including Banner or equivalent software) would also be appreciated. We are looking for 5+ years experience conceiving and developing design solutions prepared both individually and in highly collaborative settings. Hand sketching and solution and process documentation skills are a plus.

If you are interested in this opportunity please refer to the instructions on our website, [www.SERAPDX.com](http://www.SERAPDX.com), for information on submitting your application materials.

**Application materials include your cover letter, resume, selected works from your portfolio if applicable and a completed EEO Survey.**
