

Planner/Urban Designer

SERA Architects, Inc., based in Portland, Oregon, is an established, employee-owned architecture, interiors, and urban design / planning firm. Creating great design with commitment to sustainability is our culture. We offer a full complement of benefits to our staff of 110, highlighted by multiple retirement plans, a health plan that includes alternative care, continuing education programs, and benefits for alternative transportation use. As an employee-owner, opportunities abound for staff to grow, contribute and create their future.

Our portfolio spans local to international planning and urban design projects including campus and facilities master plans, streetscape plans, downtown and neighborhood plans, development opportunity studies, and land use/transportation studies. We are currently seeking to fill positions at all levels in the studio from entry level projects assists to project managers. Qualified candidates will, at a minimum, possess a degree in planning, urban design, architecture or related field, have strong graphic skills, and be proficient in a variety of planning and graphic-related software (i.e., ArcGIS, Adobe Illustrator, and Adobe PhotoShop). You will possess an understanding of planning processes and methods, land use and transportation issues, and urban design principles necessary to create vibrant, livable communities. You will also be pro-active, creative, and committed to sustainability.

If you are interested in this opportunity please refer to the instructions on our website, www.SERAPDX.com, for information on submitting your application materials.

Application materials include your cover letter, resume, selected works from your portfolio if applicable and a completed EEO Survey.
